

Instructions for Classroom – BU 1211

Turn the projector on

- Press the **on-off** button on the remote control until a green light appears on the projector.
- Be sure to point the remote directly at the projector
- There will be a **30 second delay** as the projector warms up.

Select Source

- Upon powering the projector, the appropriate source should already be selected to view the computer. If not, press **HDMI** on the remote. Please leave this source selected at all times.

Troubleshooting

Video

- **If your device is not projecting:**
Try restarting the iMac.
Press HDMI on the remote control.

Audio

- **If you cannot hear any sound:** Volume is controlled through the computer. Option-Click on the sound icon and make sure that **Headphones** is selected as the sound output.

Please CALL MEDIA SERVICES (504-864-7120) for any assistance.

Please turn off the projector at the end of your class by pressing the ON-OFF button twice.
