Citation

Article Title:

Article Author:

Journal Title:

Volume, Issue and Date:

Pages:

Database or index used to find this citation:*

*If the article already appears in full-text in one of the library's subscription databases, we may be able to link to it directly. Please print out the citation information with the persistent link. (Persistent links connect users directly to an article. Database vendors use different methods of creating persistent links. For more information, see this [handout](#).)

Comments/Instructions:

For questions about electronic reserves or for assistance finding full text items for your course, please contact Laurie Phillips at phillips@loyno.edu or 864-7833.
